RE: Chris Allen President GAR Hall and Museum

Brothers it is with a heavy heart that I need to let you know of the passing of Chris Allen. Chris was the president of the GAR Hall and Museum located in Eaton Rapids Michigan. Chris has been with the museum since its inception some 13 years ago along with our late Brother and the museum founder Keith Harrison. Chris has been a very good friend to our organization, helping us with storing documents and other items belonging to our department. I ask all Brothers to keep Chris's wife Genny in your prayers during this very difficult time.

I hope to send out another message as soon as funeral arrangements are completed. I know there are many of you who knew Chris, and I am sure would like to come and pay your respects. He was a good friend and will be dearly missed.

In Fraternity, Charity, and Loyalty,

David W. Kimble DC
